Mr. Howland Wood

Curator of The American Numismatic Society

Dear Sir:

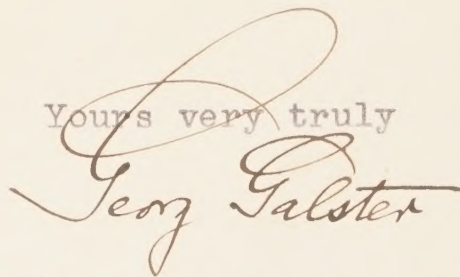

According to your letter of the 30. June the Royal Collection sends the enclosed 4 lead cash of Tranquebar:

Christian 4.		= Jesus.	Schou ^{*)} 16.	Price: 16 Kr. in gold.
Frederik 3.	Stock-fish	= Iceland.	- cf. 60.	- 16 - -
Christian 5.		= Danish Ostindian Comp.	- 80 & 81.	- 4 - -

I beg to remark, that these specimens are of the best conservation; the other duplicates we possess are all very worn.

The Collection has only 3 samples of larins, none of which are numbered by you; therefore, please, send a selection of your Larins to a value equivalent to the said Tranquebar cash. I should be glad, if you would send some of the oldest coins.

Yours very truly

Keeper of Coins & Medals

Herr Georg Galster
Keeper of Coins and Medals
Den Kongelige Monet-og Medaillesamling
Copenhagen, Denmark.

Dear Mr. Galster:

Your letter came while I was on my vacation. We are most glad to get the four little cash pieces of Tranquebar and I am very glad that you had duplicates to send us. I am enclosing five larins in exchange, numbered according to my catalogue. You will notice that we are giving you a most liberal exchange and are very glad to do so as you do not seem to have many larins. The date of all of these is about the middle of the 17th century and all but no. 304 were made in Ceylon. No. 304 is a Persian one, which was bent after it reached the island. I beg to remain

Very sincerely yours,

HW:JG
